

See below a brief overview of some of the schemes we are working on at the moment, for more information please like our facebook page or follow us on LinkedIn.

Above: An Application has been approved for this scheme in South London comprising 6 no. flats in an existing Public House. Refurbishment/conversion and rear and roof extension.

Above: A photograph of an interesting split level dwelling recently completed in Chearsley, Buckinghamshire. This scheme was a finalist in the AVDC Design Awards.

Left: A design progression sketch of a one off house.

In other news: On Monday 13th February Practice Partner Steve Bowles took part in a charity keep fit evening to raise money for the Chiltern MS Centre and other rotary charities. Approx. £1,300 was raised in total - a successful evening. Well done Steve!
