

See below a brief overview of some of the schemes we are working on at the moment, for more information please like our facebook page or follow us on LinkedIn.

Above: Master planning scheme to provide 233 social housing units - a mixture of dwellings and flats - on a Brownfield site. We are aiming to submit a formal Planning Application in June.

Left: Construction has started on site on this scheme to provide 24 residential units in Aylesbury. An application was won at appeal for change of use on this site from office to residential.

Below: Work is progressing well on a scheme to construct a new Masonic centre for Oxford.
